

5. All candidates must attach to their application a medical certificate of physical fitness from any medical practitioner holding the diploma of L. M. & S. or the degree of M. B. & C. M. or a higher degree. After a candidate has been selected for a scholarship, he will have to produce a medical certificate of physical fitness from the Senior Surgeon with the Government of His Highness the Maharaja of Mysore. They will also be bound to enter into an agreement to serve the State for a period of at least five years after they pass out, should their services be required by the Mysore Government, or to refund the full amount of the scholarships drawn by them if they refuse to serve.

6. The continuance of scholarships will depend on favorable reports of conduct and progress received from the Principal of each College, and on passing the periodical examinations.

7. Applications with copies of College and other testimonials for the Engineering and Medical scholarships must be sent to the Inspector-General of Education in Mysore not later than Friday the 15th May 1908. Applications from students of Colleges should be sent through the Principals.

Notification D. No. 44, dated 24th April 1908.

B. J. KUMARASAMI NAIK,
President, Dt. Board.

TUMKUR TOWN MUNICIPALITY.

Dated 2nd March 1908.

1. A person who buys a building site from the Municipality takes it in order to erect thereon a dwelling for himself. He will not be competent to sell or otherwise dispose of it without the express permission of the President in writing.

2. The main building should be constructed with a basement not less than two feet high with floor of concrete or cement or Kadapa stone or flooring tiles, with roof of Mangalore tiles, or terraced and with doors and windows in sufficient number and of sufficient dimensions to allow free light and air.

3. The main building should be put in hand within two months from this date and the foundation should be brought up to the agreed height of plinth in another two months and the house itself completed within another eight months from then.

4. A ground plan of the proposed house will be forwarded to the President within 15 days from the date of the sale of the site.

5. Sufficient open space will be left all round the main building as may be required by the President and the necessary out-houses and latrines will be constructed on such portions of the site as may be pointed out by the President or by some officer of the Municipality as may be deputed by him.

6. The overcrowding of sites will not be permitted. The house and out-houses and latrines should not be extended nor can additional buildings be put up.

7. Seeing that the object of acquiring lands and alienating them to towns for extensions is often frustrated by overcrowding in allotted sites and by the construction of ill-lighted and ill-ventilated houses, of houses not sufficiently raised from the ground and of houses ill provided against rats in roof and floor, the purchaser shall scrupulously adhere to all the conditions herein.

8. Upon breach of any of the above conditions it shall be open to the President to resume the site upon a week's notice with all constructions thereon and to sell the site and constructions in a public sale or to anybody he likes. The purchaser will be entitled to receive the
